Craftsman Era Architecture

Seventy-five years ago, Craftsman architecture took America by storm, including Richmond's own historic community of Ginter Park. Today, LifeStyle Builders reintroduces this popular housing style in The Cottages of Hawthorne Village. Featuring gabled roofs, inviting porches and overhanging eaves, these Craftsman homes reflect turn-of-the-century style blended with the modern conveniences you demand in a new home today.

Village Amenities

- The Charter House, a clubhouse created to look like an early colonial tavern
- Innovative Zero-Entry Pool with Six Lanes
- Tennis Courts
- Playground Areas
- The Colony House, a 2nd Clubhouse and multi-purpose field
- Colony Park, with amphitheater and pavilion
- Program Director on staff to plan activities
- Sidewalk-Lined Streets and Easy Access Tunnels that Connect Neighboring Villages

Schools

Evergreen Elementary
Tomahawk Middle
Midlothian High

Directions

From Route 288, take the Woolridge Road exit and travel east. Turn right at a traffic light onto Coalfield Road. The Cottages of Hawthorne Village is less than 1 mile on the right.
