Master-Planned Golf Course Community

Welcome to The Highlands, a planned community of 2500 acres of serene, natural beauty with a 65-acre lake, 18-hole championship golf course, and homesites ranging from one to five acres. The Highlands is a community of individual neighborhoods comprised of beautifully crafted homes on natural buffered sites. This layout nurtures a sense of quiet privacy while enhancing the peaceful, cozy feeling of a small community.

LifeStyle Builders has selected luxury homes from the Estate and Manor Collections to grace the expansive homesites found in The Highlands. Each home is designed with attention to detail, evident throughout the home. All plans are open, light and reflective of today's design trends.
